The Belkin SurgePlus Family

SurgePlus protects connected devices from damage resulting from voltage fluctuations and surges in electricity, such as lightning strikes and power failures. Surge protectors can prevent costly repairs and loss of valuable data in the event of a surge and prolong device life expectancy by blocking smaller fluctuations over time. A Connected Equipment Warranty protecting connected devices provides added peace of mind.

The Belkin SurgePlus Family Characteristics

- Three-line AC protection (hot, neutral, ground)
- Multiple protected ports

The Belkin Difference

- Pioneer in innovation and technology for 40 years
- #1 third-party maker of wireless charging accessories†
