

LIFE IS FOR SHARING.

Supplier and product information

The contractual objects provided by the supplier are subject to various legal obligations, such as those arising from the German Ordinance on the Domestic and International Transport of Dangerous Goods by Road, Rail and Inland Waterways (GGVSEB), ADR, REACH, RoHS, the German Batteries Act (BattG), the German Packaging Ordinance (Verpackungsgesetz), WEEE, the German Product Safety Act (Produktsicherheitsgesetz), etc. Certain information and data must be requested from the supplier in order to verify and ensure compliance with these obligations.

All suppliers must therefore complete this form fully and truthfully, taking into account the legal and statutory provisions in their applicable version. This supplier and product information does not extend the supplier's existing legal and contractual obligations and liabilities. In the event of discrepancies between this supplier and product information and other contractual agreements, the provisions of the other applicable contractual agreements take precedence.

Material number of Telekom Deutschland GmbH:	40824283
Customs statistical number:	8528 71 80
Country of origin:	CHINA
Goods originating in the EU:	No

LOGISTICS DATA:

EAN code:	4025125546154
Gross weight of the product:	1059grammes
Net weight of the product:	737grammes

1. FULFILMENT OF CONTRACTUAL OBLIGATIONS

The contractor hereby confirms to Telekom Deutschland GmbH in accordance with the contractual agreements made regarding supply of the ordered goods, that the contractor will assume the responsibility and costs for compliance with all obligations arising from the German Packaging Ordinance and the German Packaging Law as of 1 January 2019, the German Act Governing the Sale, Return and Environmentally Sound Disposal of Batteries and Accumulators (Batteriegesetz – BattG) and the German Act Governing the Sale, Return and Environmentally Sound Disposal of Electrical and Electronic Equipment (Elektro- und Elektronikgerätegesetz – ElektroG) for all goods supplied to Telekom Deutschland GmbH, insofar as this is necessary for the goods being placed on the market in accordance with the aforementioned laws/ordinance.

This applies in particular for the obligations arising from the aforementioned laws/ordinance regarding registration of the goods and/or the packaging/batteries and the payment of the resulting fees and licence charges.

If the contractor confirms this declaration with 'Yes', the contractor is responsible for fulfilling all obligations arising from the relevant law for all goods supplied to Telekom Deutschland GmbH for the entire period of delivery.

Obligations that originally lie with the retailer in accordance with the legal provisions are expressly excluded from this. These obligations remain the obligations of Telekom Deutschland GmbH as the retailer.

The fulfillment of all duties from that German Packaging Law/Packaging Ordinance lies at the Supplier:

Yes = 1

No = 0

0

Product is not subject to packaging ordinance = 9

(please enter on the right)
