

Xiaomi Massage Gun

Intelligent power, deep relaxation

36909/BHR5608EU (with EU adapter)

36910/BHR5609EN (with UK adapter)

36911/BHR5610US (with US adapter)

Professional brushless motor for efficient muscle relaxation

- The high-speed and high-torque brushless motor can generate max force of 570mN* and frequency of up to 3,200 rpm, which can help the massage gun reach 10mm-deep muscle tissue to quickly relax muscle tightness and deep fascia, and relieve muscle soreness after exercise

Intelligent power control for stable power output

- Xiaomi Massage Gun can provide constant stable power output under external pressure
- Power remains stable even under strong external pressure. With 25 times pressure per second, Xiaomi Massage Gun gives real-time feedback with the "pressure indicator", so that each percussion is perfect and precise for your body

Ultra quiet operation for peaceful relaxation

- Low-noise brushless motor plus noise reduction technology make Xiaomi Massage Gun extra quiet for a peaceful relaxation of your body and mind
- Xiaomi Massage Gun meets the noise level of 45dB within 80cm

Up to 5 hours battery life with type-C charging port

- The lossless transmission design enables a 5-hour battery life on one charge and 30 times of use at Level 1 intensity
- The type-C charging port is compatible with charging cables for laptops and cell phones, enabling flexible charging with one cable for multiple electronic products

3 speed modes and 3 replaceable heads to meet your different needs

- 3 speed modes at 1,800rpm, 2,400rpm, 3,200rpm with 3 replaceable heads can help you target different parts of your body, alleviating muscle soreness and helping unlock more possibilities for sports
- Round Head: For large muscle groups such as arms, lower back, buttocks, thighs and calves
- Flat Head: For relaxation of all muscles
- Bullet Head: For deep-tissue massage, including meridians, palms and soles

Product Parameters

Battery Capacity	2600 mAh
Motor Type	36W brushless motor
Battery Duration	12 hours (with no load in the first intensity level)
Noise Level	48-60dB (within 30cm)
Intensity Levels	3
RPM in Three Intensity Levels	1750/2350/3100
Swappable Heads	3
Percussion Depth	10 mm
Handle Size	D4.5*15 cm
Waterproof Grade	Hidden air inlet and outlet
Charging Mode	Type-C
Charging Time	3-4 hours
Maximum Torque	0.57 N.m
Pressure Sensor	√
Complete Dynamic Balance	√

Specifications

Power Supply: 100-240V~, 50/60Hz, 0.7A

Operating Temperature: 0~35°C

Port Type: Type-C

Battery Capacity: 22.2V ~2600mAh

Rated Input: 20V~1A

Battery Type: Lithium-ion battery

Net Weight: 870±10g

Dimensions: 140*65*219mm

Package Contents

Xiaomi Massage Gun × 1

Message Head × 3

Power Adapter × 1

Charging Cable × 1

Storage Case × 1

User Manual × 1
