## DESCRIPTION:

**STYLUS PEN** is the stylus compatible with the latest iPad, iPad Pro, iPad Air and iPad Mini models. The pen is tilt-sensitive, it follows the tilt of the stroke, and thanks to the Palm Rejection function, the palm of the hand on the display does not interfere with the use of the pen.

It enables magnetic attachment to compatible iPad models and has a USB-C port for charging.

Pairing to the iPad is automatic, simply switch on the pen and it will connect to the iPad. It is also possible to pair the pen with the iPad in order to take advantage of other information (e.g. viewing the pen's battery level on the iPad display).

1 replacement nib is included in the package.
