SKU Code: **WIRESTAND3IN1FBK**
Wireless station 3 in 1 15W

Technical Features:

- Output 15W for wireless smartphone
- Output 5W for Bluetooth Audio
- Slot for inserting original Apple Watch charging cable
- Compatible with Apple devices
- Foldable and compact

Compatibility:

Wireless charging-enabled devices

DESCRIPTION:

TRIPLE STATION 3 IN 1 is the wireless charging stand that allows you to charge three devices simultaneously.

It is compatible with all wireless charging-enabled devices and guarantees fast charging up to 15W for smartphones and charging up to 5W for Bluetooth Audio. It features a slot for inserting the original Apple Watch charging cable. Fast charging is only guaranteed when using a PD18W charger.

With its foldable design, **TRIPLE STATION 3 IN 1** is convenient to carry and perfect for everyday use.
