Folding case with semi-transparent rigid back, compatible with magsafe® ecosystem

Technical Features:

- Scratch-resistant black semi-transparent back
- Leather-effect front flap with magnetic closure
- Antibacterial treatment that helps prevent uncontrolled growth of bacteria on the surface of the case
- Compact and slim design
- 2 card slots
- Part of the case is made with recycled material

Compatibility:

iPhone

DESCRIPTION:

DAILY MAG is the book case compatible with MagSafe® ecosystem.

The anti-scratch semi-transparent back shows the true iPhone design.

The front flap protects the display and hides the magnets that makes it easy to open and close.

The raised edges in the camera area protect the camera compartment from accidental drops.
