Technical Features:

- 12" display
- Colorful display
- Stylus for drawing and wrtiing
- Equipped with a lock button and an erase button
- Safe, lightweight and portable
- Included battery

Compatibility:

Universal

DESCRIPTION:

New MAGIC ARTPAD XL is an 12-inch graphic tablet designed to provide a safe and practical user experience for children.

The **color display** offers vivid and clear images, while the lock button preserves the displayed content, and the erase button allows for quickly resetting the display. The package includes batteries and a drawing pen that can be inserted into a designated slot on the tablet, which also functions as a stand to facilitate its use.

The integrated eye protection reduces visual fatigue, making the tablet suitable for extended use and ideal for children.
