

EHS60 Wireless Headset Adapter

Empower Third-Party Phones

The advanced Yealink Headset Adapter EHS60 provides a technical interface between your Yealink DECT Headset and a compatible desk phone (**Cisco/Avaya/Poly/Grandstream/Fanvil**).

The unit is easy to install. Its plug-and-play effectively allows you to remotely control your phone calls, including answering, rejecting, holding, muting, hanging up, switching between multiple calls, and adjusting the volume.

It has been specially designed to ensure maximum productivity in business applications such as receptions and call centers and is an ideal choice for the Corporate, Financial, Healthy, Governmental, Educational, Industrial, and SME/SoHo market sectors.

Benefits to Use EHS60

Easy connection between WH6X DECT Headsets and third party phones

Comprehensive phone control by WH6X DECT Headsets

Plug and play for immediate use

Convenient 3 cables package to cover Cisco / Avaya / GS / Fanvil / Poly phones

*Only available for WH62/WH63 with the mark in product packaging(Label): [EHS60 Supported](#)
