The Targus® 15.6" Mobile Tech Traveler EcoSmart® Rolling Backpack expands from 35L up to 40L offering ample space to store your accessories and other workspace essentials. Tuck away the straps and this unique bag converts from a backpack to a roller with smooth, quiet wheels and telescoping handle. Cover the wheels and its ergonomic shoulder straps and padded, mesh back make for an ultra-comfortable carry. Handles on the top and side make it easy to grab-and-go your pack whether it's in the trunk of your car or on your next flight. Plus, this rolling bag is made from recycled materials!

Prepare for a productive, off-site workday while keeping your gear and clothing organized and protected. Store your work trip necessities in one of its two main compartments, while securing your laptop in the other featuring the SafePort® Sling Protection System, even if you experience a little turbulence in your travels.
